## How We Can Help

FTI Consulting's capabilities across pharmaceuticals, biotechnology, medical devices and diagnostics, combined with the extensive knowledge of the healthcare ecosystem including providers, insurers and beyond, enable us to assist clients in solving their most complex challenges and achieving their strategic and operational objectives.

Our comprehensive support includes:

## Core Operations

Our experts are the trusted partners of life sciences companies seeking to establish or enhance their core and strategic operations across essential functions including clinical, commercial and finance. Our expertise supports companies to successfully bring new products to clinical development, supporting a first product approval and establishing a commercial organization or improving existing commercial operations to become more effective. Our comprehensive support extends to:

- Regulatory and Quality
- Supply Chain and Manufacturing
- Clinical Lifecycle Management
- Commercial Operations
- Finance and Financial Planning & Analysis (FP&A)
- FDA and Regulatory Milestones
- Health Economics

## Reputation Protection and Promotion

Our dedicated strategic communications advisors help life sciences companies navigate complex issues and highly regulated environments. We achieve this through crafting and executing customized communication strategies that resonate with key audiences, allowing clients to meet their business goals and objectives. Our services encompass:

- Integrated Communications Campaigns
- Executive Positioning
- Brand and Strategic Narrative Development
- Stakeholder Mapping and Engagement
- Public Policy Shaping
- Capital Markets Communications
- Crisis and Issues Management
- Organization Transformation

## Transformational Events

In today's dynamic environment, our team helps clients navigate pivotal moments of transformation to unlock value, reduce risk and optimize outcomes. Our unique offering combines the domain knowledge required for each particular event with deep industry experience, allowing us to navigate events faster and with fewer disruptions to your business. We specialize in both positive and challenging transformational events, including:

- Transactions (Buy- and Sell-Side M&A, Alliances, License Agreements, JVs)
- Valuations (Enterprise and Intellectual Property)
- Private and Public Capital Raising
- Bankruptcy, Reorganizations and Corporate Strategy Shifts
- Department of Justice (and local equivalent) Investigations

## Policy and Compliance

Our seasoned regulatory and policy experts' partner with life sciences companies to navigate national and international regulations. Our commitment is to make clients not only compliant but also patient ready and reputable, pro-actively or when non-compliance events occur. We specialize in:

- Pre-audit and Inspection Readiness
- Food and Drug Administration (FDA), European Medicines Agency (EMA) and Other Regulatory Authority Preparedness
- Department of Justice (DOJ) (and local equivalent) Investigations
- Product Recalls
- Disputes
- Health Economics and Outcomes Research (HEOR)
